

EXPRESSION OF INTEREST TO PARTNER WITH CARE INTERNATIONAL IN KENYA

CARE International has been working in Kenya since 1968, and currently implements major programs in 20 out of 47 counties reaching approximately 2 million people per year. The programs align with national and county level priorities focusing on refugee assistance, health, water and sanitation, financial inclusion, adaptation to climate change, disaster risk reduction, agricultural value chains and humanitarian and emergency response.

Are you a local Non-Governmental Organization/Civil Society organization, Women Rights Organization, Women Led Organization, network, locally registered organization, academic institute, or private registered entity passionate about fighting poverty and social injustice, keeping gender equality and women's voice at the core of all programming in Kenya? CARE International in Kenya is seeking partners to collaborate on impactful initiatives that address pressing issues affecting the most vulnerable and excluded communities especially women and girls.
